

## **APPENDIX 5-B, ATTACHMENT B: LIST OF OUTREACH MEETINGS HELD FOR THE PROJECT**

## PUBLIC AND AGENCY MEETINGS

Since publication of the Draft Environmental Impact Report (EIR)/Environmental Impact Statement (EIS), the following substantive changes have been made to this attachment:

- This attachment was updated to include information on engagement concerning community improvements and other engagement following the public circulation of the Draft EIR/EIS and to include meetings with Grasslands Ecological Area stakeholders that had been omitted in error.

The Authority and FRA participated in meetings with the public and with representatives of federal, state, regional, and local agencies throughout the environmental review process. These meetings, which have occurred since 2008, are summarized in Table 1.
