1	I am interested in attending the Virtual Industry Forum. Could you please provide details or registration?	<p>The Virtual Industry Forum occurred on August 9, 2023. The list of registrants for the virtual forum, the presentation, and a video recording of the event can be found via the following link: <a href="#">Authority’s Track and Systems webpage</a>.</p> <p>The <a href="#">California State Contract Register</a>/View Event Package contains information on the Request for Expressions of Interest for the Manufacturing of UIC60 rail. The Request for Expressions on Interest document includes the requirements to submit an Expression of Interest to the Authority. Submissions are due Friday, August 25, 2023 at 12:00 p.m. (noon) Pacific Time.</p>
2	I did not register for the virtual event “ <b>HSR23-19 Request for Expressions of Interest for the Manufacture and Supply of UIC60 Rail in the United States of America</b> ” but we would be very interested in receiving information in regards to supplying these specific rails. Mori is an MDBE certified construction material supplier. Is there any way you could send me the link to the virtual meeting, along with any other information that may be helpful in regards to the “UIC60 Rails” manufacture and supply. I would greatly appreciate it. I’ve attached our Capability Statement for your records as well. Thank you again.	Please see response to Question 1 above.
3	This RFEI HSR23-19 involves only those manufacturers who are capable of producing the UIC60 rail, correct? This is not for the interested procurement and/or supply of said rail?	Authority is issuing this Request for Expressions of Interest (RFEI) to request Expressions of Interest (EOI) from qualified entities (Responders) that are able (or are capable of becoming able) to produce UIC60 rail, manufactured and tested in the United States of America, and in accordance with the European Standard EN 13674-1. This RFEI does not commence a procurement of obligate the Authority to commence or award a contract. Entities are not required to respond to this RFEI in order
