**Notes:**

- Asterisk (\*) after the vendor name denotes Purchase Orders.
- Vendors may appear several times due to contract amendments or multiple contracts. Green colored items are new or changed from the prior report.
- Blue shaded rows identify one contract with subsequent amendments. The contract total amount appears below the last amendment.
- Actual expenditures reflects received and processed invoices. The encumbrance balance is reduced when payment has been completed.
- Forecasted expenditures are subject to change based on the contract manager's assessment.
- Encumbered amounts are for current year ending encumbrance balances. Encumbrances have yet to be fully processed as of the date of this report.
- As invoices are paid, contract "actual expenditures" will increase and the encumbrance balance will decrease accordingly.
- This report includes data from the most recent invoice submitted to CHSRA, monthly or quarterly for active contracts.
- The Authority has a small business utilization goal of 30% per the Small and Disadvantaged Business Enterprise Policy from August-2012. All subsequent eligible contracts and the percentage represent the total dollar amount that went to qualified small businesses divided by the total invoiced by the vendor from the inception of small business utilization tracking.
- The forecasted expenditures for recently awarded contracts are shown as fully expended. The amount will be adjusted, if warranted, by the contract manager.
- Green text indicates a new contract or amendment.
- As of **January 31, 2018**, the Authority has **372** contracts and purchase orders.
- Small business utilization was not captured for invoices prior to the establishment of the Small and Disadvantaged Business Enterprise Policy in August-2012. This affects six active contracts that were executed prior to August-2012: AECOM + DMJM Altamont Corridor, City of Fresno (two contracts), Nossaman, PTG Pacheco Pass Corridor, and UPRR.
