

10 EIR/EIS DISTRIBUTION

The distribution of this Draft Supplemental Environmental Impact Report/Environmental Impact Statement (EIR/EIS) emphasizes the importance of providing the documents in a number of different formats to ensure the information is fully accessible to members of the public. This includes the use of electronic media to ensure cost-effective, broad availability to the public and interested parties. The entire Fresno to Bakersfield Locally Generated Alternative (F-B LGA) Draft Supplemental EIR/EIS (Volumes I - III) and the supporting technical reports are available on the California High-Speed Rail Authority's [website](#). In addition to providing the documents in electronic format, the F-B LGA Draft Supplemental EIR/EIS (Volumes I-III) is also available in hard copy at the repositories listed below. Electronic copies of the Draft Supplemental EIR/EIS document and the supporting technical reports are available on compact disc upon request at the office of the California High-Speed Rail Authority, 770 L Street, Suite 800, Sacramento, CA 95814.

All persons, agencies, and organizations listed in this chapter have been informed of the availability of, and locations to obtain, the Draft Supplemental EIR/EIS, as well as the timing of the 60-day formal comment period. Notice of availability of the Draft Supplemental EIR/EIS has been included in the *Federal Register*. Repositories and cooperating federal agencies were sent both hard and electronic copies of this Draft Supplemental EIR/EIS. Copies were filed with the California State Clearinghouse. Other federal agencies, state agencies, and selected interested parties listed below have received summary chapters and electronic copies of this Draft Supplemental EIR/EIS. Federal, state, and county elected officials, mayors of cities with possible stations, and the potentially affected local agencies listed below were mailed an informational brochure and instructions on how to obtain a copy of this Draft Supplemental EIR/EIS. Additional local elected officials and agency representatives and all others on the project mailing list have been mailed a notification that includes information about how to access this Draft Supplemental EIR/EIS; the timing of the formal comment period; and public hearing dates, times, and locations.
